Notification No. 70/2020

(11 June 2020)

**Amendment of Order No. 1/2017, issued by the Ministry of Natural Resources and  
Environmental Conservation on 2-1-2017**

1. In accordance with Notification No. 2019/055, issued by the Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES) on 16-10-2019, paragraph 3(b) of the Ministry of Natural Resources and Environmental Conservation's Order No. 1/2017, "Listing of *Dalbergia* species into CITES Appendix II," is hereby replaced with the following:

b) All parts, derivatives, and furniture of the CITES Appendix II-listed *Dalbergia* species are included in the CITES Appendix II designation, except for the following (a clarification is provided in the annex) –

- (1) Leaves, flowers, pollen, fruits, seeds,
- (2) Finished products not exceeding 10 kg of wood weight per shipment,
- (3) Finished musical instruments, parts, and accessories,
- (4) Parts and derivatives of *Dalbergia cochinchinensis* included in Annotation #4,
- (5) Parts and derivatives of native *Dalbergia* species exported from Mexico are included in Annotation #6.

Clarification: The above-mentioned exemptions for CITES Appendix II listed *Dalbergia* species are detailed in Annex (A).

(Signed) Union Minister

Ministry of Natural Resources and Environmental Conservation

**Clarification of exemptions for CITES Appendix II listed Dalbergia species regarding the amendment of Notification No. (1/2017) issued by the Ministry of Natural Resources and Environmental Conservation on January 2, 2017**

Sr.	Exemption	Clarification
1	Exporting up to 10 kilograms per shipment	The weight of 10 kilograms refers not to the total weight of the goods being exported, but to the weight of wood contained within each item to be exported.
	Finished musical instruments, parts, and accessories	This refers to musical instruments that are ready to be played (or), require only the assembly of parts without further modification, and finished parts and accessories specifically designed for use in musical instruments.
	Annotation #4	<p>All parts and derivatives of CITES Appendix II listed Dalbergia species are included, except for the following:</p> <ul style="list-style-type: none"> <li>(a) Seeds, spores, and pollen,</li> <li>(b) Seedlings and tissue cultures obtained from micropropagation carried in sterile containers (solid or liquid) or in test tubes,</li> <li>(c) Cut flowers from artificially propagated plants,</li> <li>(d) Fruits, parts, and derivatives,</li> <li>(e) Stems, flowers, parts, and derivatives.</li> </ul>
	Annotation #6	Logs, sawn wood, veneers, and plywood of native Dalbergia species exported from Mexico.
